Dear Team Members and Coach:

FIRST® is thrilled to announce that it will host the *FIRST*® LEGO® League **SENIOR SOLUTIONS℠ World Festival** and **Jr.FLL® SUPER SENIORS℠ World Festival Expo** in conjunction with the ***FIRST*® Championship in St. Louis, Missouri, at the America's Center and Edward Jones Dome, April 24 - 27, 2013.**

Eighty-four FLL teams from around the world are invited to participate in our *FIRST* LEGO League World Festival. On behalf of *FIRST*, we are pleased to invite your team to attend the 2013 *FIRST* LEGO League SENIOR SOLUTIONS World Festival. You will join eighty-five other teams, representing over 200,000 children who participated in over 700 qualifying and championship tournaments worldwide during this past year. The World Festival is a global celebration of the FLL SENIOR SOLUTIONS Season.

Details of the event are still being confirmed, and information will be posted on the World Festival website in December with updates over the coming months. Check this site frequently. Your FLL Operational Partner has provided FLL with your contact information. Specific registration instructions were provided to you via email together with a link to register for the World Festival beginning in December of 2012.

FIRST is working with Steele Meetings to provide hotel accommodation packages for teams. The link you will need to make your hotel arrangements, which includes the only guaranteed way to purchase tickets to the *FIRST* Finale, will be included in the invitation email you receive.

We hope your team will be able to attend, and look forward to meeting you in St. Louis in April. If your team is unable to attend, please notify your Operational Partner immediately. If you have any questions or need more information, please feel free to contact us at fllwf@usfirst.org.

We look forward to seeing you in St. Louis,

Betsy Daniels
